Re: Transmission of Directive – Whapmagoostui Kuujjuaraapik Hybrid Power Plant Project (WKHPPP)

Dear Mr. Mukash,

Pursuant to the Environmental and Social Impact Assessment (ESIA) and Review Procedure established by the James Bay and Northern Quebec Agreement (JBNQA), you transmitted the preliminary information on July 8, 2020, for the project titled “Whapmagoostui Kuujjuaraapik Hybrid Power Plant Project” located on Category I land.

In accordance with JBNQA paragraphs 22.5.13 and 22.5.14, the Evaluating Committee has made a recommendation to subject your project to assessment and review, and on the extent of the impact assessment to be realized. Pursuant to JBNQA paragraphs 22.5.15 and 22.5.16, I accepted the Evaluating Committee’s recommendation. Therefore, I am transmitting to you their recommendation that indicates the information that is required to complete the preliminary information document already submitted, and take the place of an impact study to be reviewed by the Review Committee (COMEX).

Six paper copies in French and five paper copies in English and 4 USB keys of the Environmental and Social Impact Assessment Study must be sent. If the study is only available in English, please send seven paper copies and 4 USB keys to my attention at the Cree Nation Government ESIA Secretariat at the following address:

Isaac Voyageur, Regional Administrator
 Attn: [Kelly LeBlanc CNG ESIA Secretariat]
